The President
Columbia College
540 N. Lake Shore Drive
Chicago, Ill. 60611

Dear Sir,

This is to notify you that your faculty member, Sherman Skolnick, has involved your school in an open theft of my materials. He has used these, without my permission and without even seeking it, in radio broadcasts, a spurious lawsuit and in other ways.

If it has not come to your attention, I cite this language from the Chicago "Sun-Times" of March 21:

"Skolnick said his accusations were the result of research done by his class at Columbia College, a workshop in research for students of the school at 540 N. Lake Shore.

"On the radio show, members of the class took part in the questioning of their teacher about what was found".

All of this is seriously damaging to me, is illegal and improper.

I look forward to hearing from you at the earliest possible time, for as Mr. Skolnick continues he magnifies the damage, to which I shall seek what redress is possible.

Sincerely,

Harold Weisberg
